French Settlement Elementary School Mission Statement

Preparing children for their future, one day at a time.

FSE does not tolerate bullying, harassment, or intimidation of any kind on its campus. Students should report such behavior to a teacher or administrator and it will be investigated and appropriate action will be taken.

Policies and Regulations

I. Arrivals and Dismissals

1. School hours are from 8:15 a.m. to 3:25 p.m.
2. Students may not arrive earlier than 7:45 a.m. as there is no adult supervision before this time. Carpool students may begin exiting the vehicle when a teacher is on duty.
3. Students arriving to school after 8:18 a.m. are considered tardy and must secure a tardy slip from the office before going to their classroom. Any student that is tardy must be signed in through the office by an adult.
4. Parents must provide the school with a note if their mode of transportation changes. **We will not accept transportation changes by phone or by fax.**

II. Student Attendance

1. Elementary Children must be present a minimum of 167 days per year to be eligible to receive credit for courses taken. Exceptions can be made only in the event of personal illness, as verified by a physician, and/or other extenuating circumstances as approved by the Parish Supervisor of Child Welfare and Attendance in consultation with the Principal.
2. Half day attendance – A student is considered to be in attendance for one-half day when he or she is (1) physically present at a school site or is participating in an authorized school activity, or (2) is under the supervision of authorized personnel for 86-165 minutes or more, approximately 1 ½ to 3 hours of the student's instructional day.

check in 9:45 a.m. – 1:15 p.m. = ½ day present

check out 9:45 a.m. – 1:15 p.m. = ½ day absence
3. Whole day attendance – A student is considered to be in attendance for a whole day when he or she is
 - a. (1) physically present at a school site or is participating in an authorized school activity, or (2) is under the supervision of authorized personnel for 165 minutes or more, approximately more than three hours of the student's instructional day.

check in 8:18 a.m. – 9:44 a.m. = present whole day

check out 8:18 a.m. – 9:44 a.m. = absent whole day

4. For dental and doctor appointments, a signed original excuse from the doctor is required within 10 school days of the appointment for the absence or tardy to be excused. Any excuse that has been altered will not be accepted. **Any excuse that is in question will be verified by a call to the doctor's office. Any fraudulent claims will be reported to the doctor's office, local FINS office, and may result in a suspension and/or expulsion.**
5. All students are allowed only ten (10) unexcused absences per year and four (4) unexcused tardies per semester. Excessive tardies and/or absences are subject to referral to our Parish Supervisor of Child Welfare and Families in Need of Services (FINS). **Excessive tardies will result in a conference with administration and may result in a request for documentation of excusal.**
6. Students attending school less than 167 school days are automatically retained unless the absences are excused and assignments are made up satisfactorily.
7. Excused absences:
 - a. as verified by a physician, nurse practitioner, or dentist via written excuse
 - b. quarantine due to prolonged exposure ordered by state or local health officials
 - c. prior school approved travel for school related event
 - d. death in the immediate family, not to exceed one week, verified by obituary
 - e. natural disaster/catastrophe as approved by the principal/designee
8. Absences NOT excused:

 - c. via parent notes for illnesses

III. EARLY CHECK-OUTS

1. If your child needs to be checked out of school, the birth parent, legal guardian, or someone listed on the child's emergency contact page must sign the student out through the office. Only the birth parent or legal guardian will be allowed to make changes to the emergency contact page, and all changes must be made in person in the office. We cannot make changes to the contact page over the phone.
9. The latest time for checkout will be 3:00 p.m. No student may be checked out after this time except for cases of medical emergency. This is for the safety of students as buses and carpool are arriving and positioning for dismissal. **Anyone arriving for checkout after 3:00 p.m. must report to the carpool line. Excessive checkouts will result in a conference with administration and may result in a request for documentation of excusal.**

IV. REQUESTING ASSIGNMENTS DURING AN ABSENCE

1. In the event of an absence, continuous learning will occur online. Student assignments can be accessed via **Google Classroom**.
2. Students will be allowed to make up all work missed during excused absences. It is the responsibility of the student to make up and hand in all missed work within

the allotted time. For example, if the student has missed two excused days, then they are allowed two school days to make up missed assignments upon their return.

3. If a student does not have a doctor's excuse, a note from the parent may be written to the teacher explaining the student's absence. This will allow the student to make up missed assignments, but **will not be considered an "excused" absence.**

V. EMERGENCY INFORMATION

1. Every parent must provide the school with current emergency telephone numbers in the event of illness or accident. Please provide us with several phone numbers we can call in the case of an emergency. If your phone number changes during the school year, please update the office.
2. French Settlement Elementary has a crisis plan created in conjunction with the LPSO and Emergency Preparedness offices. We practice these drills at school multiple times during the year and at various times throughout the school day. In the event that we do have a crisis, a plan is in place that will require you to have a photo ID in order to pick up your child.

VI. VISITORS TO SCHOOL

All parents and any other visitors who enter the school for any reason must report to the office and be issued a visitor or volunteer identification badge. Exceptions include assemblies – please refer to invitations to such events for event-specific expectations.

VII. MEDICATION

If a child is required to take long-term oral medication and the parent or guardian cannot come to school to administer the medication, trained school personnel may do so in compliance with the following regulations:

1. A written request, obtained from the school, must be properly completed by the prescribing physician and delivered in person by the parent or guardian to the principal of the school where the child is enrolled. These forms must be renewed at the beginning of each school year.
2. If a student is prescribed a new medication, they must remain at home for 12 hours after the first dose to be observed for adverse reactions.
3. All medication to be administered by school personnel must be prescribed and directions given by a physician for administering the medicine
4. NO topical medication shall be applied to the student's skin in any form, such as peroxide, Neosporin, cortisone cream, or similar medication.
5. The principal, with the approval of the superintendent, may reject any request for administration of medication and a written reason will be given by the principal to the person making the request.

6. Medication is accepted at school only after the approved form is on file at school. Medication may only be brought by an adult. Empty bottles must be picked up from the office by an adult.

VIII. LUNCHES

For the 2023-2024 school year, breakfast and lunch will be provided free of charge to all students. For menu and other school food service information, please see the www.lpsb.org website “Parents” tab, or scroll down to the “Breakfast and Lunch Menu” button on the home page.

IX. OUTSIDE FOOD AND DRINKS

1. Students are welcome to bring their own lunch to school. Food brought in from home must be ready to eat. Students may not ask to heat their lunch at school.
2. Water/Water Bottles – Students may bring water to school. Clear water is permitted. Energy drinks, flavored water, carbonated beverages, or any beverage aside from clear water will not be permitted. Vessels for water must be made of plastic. Metal water bottles will not be permitted. Water bottles should be clearly labeled with the student’s name. Non-carbonated juices or flavored waters are permissible for lunch only. These beverages should be consumed only in the cafeteria and should remain in the student’s lunch bag until lunch time.

X. TRANSPORTATION

****Please note LA Law: If you're driving through a school zone during posted hours, it is against the law to use your cell phone or other mobile device (La Revised Statute Title 32:300;8). It is also a violation of LA Law to smoke in a vehicle in the presence of an elementary aged child (La Revised Statute Title 32:300;4).**

1. Students must sit in their assigned bus seats and remain quiet and well-behaved to and from school.
2. Offenders may be suspended from the bus after sufficient warnings. Students that are suspended from the bus may not ride any form of school board transportation until the end of the suspension period.
3. Eating and drinking on the bus is not allowed. NO electronic devices should be brought on school property, including the school bus. Electronic devices include, but are not limited to, any type of cell phone, iPod, iPad, Smart watches, handheld electronic games, tablets, computers, or tracking devices.
4. **All students must have a written, dated, and signed note from their parent or guardian** to give the bus driver if the student is to ride a bus other than their assigned bus or to be dropped off at a different location. The student should bring the note to their homeroom teacher, who will record the request and return the note to the student. If at any time a student riding an alternate route causes an overcrowding situation, the parent must provide their own transportation.
5. Having multiple modes of transportation for dismissal can be confusing for students. Please limit transportation changes as to avoid missed busses.

6. Parents bringing students to school each morning before 8:15 a.m. and picking them up after 3:00 p.m. in the afternoon will use the carpool lane from Kinchen Rd. Only school buses will be allowed to use the front driveway during these specified times. For safety reasons, no check-outs will be allowed after 3:00 p.m. Students will not be removed from the bus once the bus has been loaded.
7. Students will not be allowed to walk to school in the mornings due to the high amount of carpool and bus traffic. Students may walk in the afternoon after all buses and carpool have dismissed.

XI. DISMISSAL

Carpool

1. Please do not arrive on campus for carpool before 2:45. Carpool typically takes 10-15 minutes to complete so there is no need to line up hours before dismissal.
2. Once the line reaches the gate please begin a second line in the gym parking lot. This helps to prevent traffic from spilling over onto Kinchen Rd. We will empty the 1st line and then begin the second line. Please do not try to get into the 1st line once the 2nd line has formed.
3. Students will only be allowed to enter a vehicle which displays the FSE Carpool Tag. Tags can be obtained by a parent, guardian, or emergency contact through the school office. In the event a vehicle enters the carpool line without a tag, the driver will be directed to the office to show proof of identity.

Buses

1. Buses are dismissed by color four at a time.
2. Student's book sacks will be tagged to match their bus color. Please do not remove these tags. If you have to change buses because of a new address please contact the school office prior to attempting to place your child on a different bus.

XII. DRESS CODE

1. Students are expected to exercise good judgement and good taste regarding their dress and grooming so as to establish a productive school climate. It is not our intent to thwart self-expression or exercise unreasonable control over students; however, current trends seem to favor certain modes of dress which are inappropriate for school.
2. Extreme unnatural hair color is not acceptable.
3. **Skirts and shorts should fall between the knee and 4 inches above the knee.**
4. Pullovers, hoodies, or sweatshirts must be solid navy or white or contain the school's name or logo. FSE School Spirit Shirts are acceptable. Pullovers, hoodies, or sweatshirts should fit the student. Oversized apparel is not permitted. Uniform bottoms must be visible.
5. Leggings under skirts must be solid back, gray, white, or navy blue.

XI. GRADING AND CONFERENCES

D – 74% - 67%

2. Interim report cards are sent out in the middle of each nine-week period to inform parents of any difficulties the student is having.
3. To provide home/school communication, PreK – 6th grade students will be provided with a home/school folder. Graded paper folders will be sent home every Monday for each grade level. The use of these items will help keep parents informed of home learning, assignments, upcoming tests, grades, and teacher messages.
4. PowerSchool is a website where parents can keep up with their student's grades. Each student is assigned a login ID and password, and once you have received a login, it does not change from year to year. If your student has never received any login information, please contact the office to receive one. The link for PowerSchool is located on the www.lpsb.org homepage.
5. If you would like a conference with your child's teacher, you may email the teacher directly, send a note with your child, or call the office and leave a message for the teacher to contact you.

XII. STUDENT REGISTRATION

1. New student registration can be completed online through PowerSchool Enrollment. All required documents must be completed before new students can begin attending school.
2. Returning student enrollments will be completed through the PowerSchool registration portal. Parents must provide the school with an active email address to gain access to their child's registration portal.

XIII. STUDENTS WITH CUSTODY DOCUMENTATION

1. Court documents signed by a judge must be on file in the office.
2. The school will follow the directives of the most current custody documents on file.

XIV. TRANSFER OF STUDENT RECORDS

1. Please notify the school at least one day prior to transferring your student so that all records can be compiled. Time is required to assemble and process the necessary records.

2. Upon withdrawal from French Settlement Elementary, a student's account must be cleared.
3. The school you are transferring to will request a copy of the student's cumulative records by either mail or fax. This cumulative report contains information concerning grades, absences, and disciplinary records. No records will be given to a parent for transport from school to school.
4. All textbooks and library books must be returned, undamaged. A fee to cover the cost of the book will be assessed, if applicable.

XV. MONIES/SCHOOL SUPPLY FEES

1. School fees may be paid online. The link to pay fees online may be accessed via our website: www.fselions.com. If paying by check or money please make payable to French Settlement Elementary unless otherwise stated. Checks must include full name, current street address, and two phone numbers. Please write your child's name in the memo line on checks.
2. K-6th grade fees are as follows:
Supply Fees \$30, Technology Fee \$15, Athletic Fee \$5.
3. Student supply fees should be paid by September 29th, 2023. Students without supply fees paid will not be allowed to participate in clubs, field trips, or extra-curricular activities.
4. Fundraisers are held throughout the year. These fundraisers are important in helping to provide the necessary funds to provide many educational materials to our students, including technology equipment, and to maintain the school.
5. School Spirit shirts, sweatshirts, and jackets will be sold beginning in August. Spirit shirts may be worn with uniform bottoms every Friday.
6. ANY CASH sent to school should be in a SEALED ENVELOPE with the student's name clearly written and the activity for which the money is to be applied.

XVI. STUDENT ACTIVITIES

Clubs

Students have the opportunity to participate in clubs and athletic competitions. Eligibility requirements, such as student's grades and/ or behavior for these activities will be announced and distributed by the sponsor prior to selection of club or team members. Parents will be required to sign a permission slip which also acknowledges awareness that students must follow club guidelines to remain in the club. Students may be dismissed from the club or team if they receive an office referral/suspension in relation to each club or team rules. Student supply fees must be paid before being allowed to participate. Excessive unexcused absences or tardies will result in a temporary suspension from the club for the remainder of the semester.

Field Trips

Field trips are a valuable educational experience. School uniforms must be worn on field trips, unless otherwise indicated on field trip note. All students must adhere to the dress code adopted by the Livingston Parish School System. Field Trips are

pre-paid and refunds will not be given in the event your child does not attend the trip. Teachers may request parental assistance for the trips. Some field trips may be limited to the number of chaperones able to attend. **Chaperones and/or other adults attending the field trip will not be allowed to bring additional children or siblings on the field trip.** Parents must report to school prior to the field trip to receive a pass that identifies you as a chaperone on the trip. If parents do not report to the school first, parents will not be considered a chaperone of the field trip. Written permission from the parent or guardian is necessary for the student to be allowed to participate on these trips. If a signed permission slip is not returned, the student will not be allowed to attend. Please adhere to all deadlines. Additionally, if a student has frequent behavior referrals, a parent may be requested to accompany the student on the field trip. All students will ride the bus to and from the field trip. Students may be checked out at school only upon return from the trip. **All fees/debts must be paid in order for students to attend field trips.**

XVII. MISCELLANEOUS

LIVINGSTON PARISH PUBLIC SCHOOLS
HEALTH RULES

The following guidelines are offered to help you determine when your child should not attend school. Please consider carefully a child's statement of feeling ill.

- Diarrhea/vomiting: Students who are vomiting or having diarrhea (2 or more watery stools) will be sent home from school. They will not be allowed to return until they are symptom free for 24 hours from the onset of symptoms. Children should be kept home if they were vomiting or experienced diarrhea during the night.
- Fever: Students who have a fever of 100.0 F or higher will be sent home. Students will be readmitted after they have been fever free for 24 hours without the use of fever reducing medications. (Ex: Tylenol, Motrin, or Advil).
- Cold/flu: Students with severe colds, sore throats, cough or "flu like" symptoms will not be allowed to stay at school. They should stay home for rest and proper attention to their symptoms.
- Pink Eye: Symptoms of pink eye such as eye drainage, crusty eyelids, redness on the white part of the eyes, swelling, and itching may indicate pink eye, which is a contagious disease. Children with these symptoms will be sent home and should be seen by a doctor for a diagnosis. A doctor's excuse will be required to return to school. If diagnosed with pink eye, the student must be on treatment for at least 24 hours before he can return to school. Some conjunctivitis may require the student remain at home until all symptoms are resolved.
- Rash/Lesions: A student with an undiagnosed rash or lesion will not be allowed to stay at school. Skin rashes or lesions will be considered possibly contagious. Child may return to school after rash is determined to be non-contagious by a physician or to be no longer contagious after proper treatment. Students may return with a note from the Physician's office.
- Boils: Students with boils must be seen by a physician. If it is a staph infection, they must remain home for 24 hours after starting antibiotics. A physician's note will be required for them to return to school. The boil must be covered. If the boil is draining, extra clothes and bandages should be sent with the student in case the bandage becomes saturated or if the clothes get wet.
- Lice: A student's hair must be free of nits and bugs in order to remain at school. The student will be readmitted to school after the parent has treated the child and all nits and bugs are removed. After successful treatment, the parent will need to bring the student to the office to be rechecked for lice by school personnel before being allowed to stay at school. It is recommended that parents check their child on a regular basis for signs of head lice.
- Medication: If your child needs to take medications for chronic conditions at school please contact your school nurse. State law requires a medication administration form to be completed by the physician and parent. This includes prescription and over-the-counter medications. If a student is prescribed a new medication, they must remain at home for 12 hours after the first dose to be observed for adverse reactions. Parents are allowed to bring medications to the school and administer them to their child. If Parents cannot come, they may send the medication with someone listed on the child's contact card. If the parent or someone on the contact card cannot come then the parent may send an adult not listed on the

contact card. The school will require a written or verbal consent from the parent if the adult is not on the contact card and an ID will be checked.

- Immunizations: Louisiana State Law Statute LA R.S. 17; 170

Students entering school for the first time shall present a completed or up to date immunization record.

Beginning with the 2023-2024 school year, LDH will be observing the existing school entry requirement that students be vaccinated with at least 2 doses of Hepatitis A vaccine before entering Kindergarten, or any grade thereafter.

All students that are 11 years old must have a Tdap Booster, Meningitis vaccine, and a second varicella (chickenpox). Students that are 16 years of age must have a second meningitis immunization.

Parents of students that are unable to receive their immunizations due to medical, religious, or personal reasons must submit a written letter of dissent. This letter can be found on the LDOE and LPPS websites.

Students that have not received proper immunizations may not be allowed to come to school if there is an outbreak of a communicable disease at school (Chickenpox, Measles, Pertussis, etc.). State law must exclude these students from the school setting, for the incubation period of the disease. These absences may not be excused.

- Vision/Hearing: Student's vision and hearing are screened by the school nurse in Pre-K, Kindergarten, 1st, 3rd, 5th, 7th & 9th grades and from parent or teacher referrals. If a problem is detected, notes will be sent home to the parent referring them to their physician for a more complete evaluation.

- Scoliosis: Students are screened in 6th grade for curvature of the spine. If signs are seen, students will be sent home with a letter referring them to their physician for a more complete evaluation.

- Medical Conditions: If your child has a chronic medical condition, contact the school nurse annually. Some examples of chronic medical conditions are Seizures/Epilepsy, diabetes, asthma, celiac disease, severe allergic reactions to insects or food that require use of an Epi-pen or Benadryl during the school day. A SPECIAL DIET ORDER form is required annually from a physician if your child has specific food allergies.

- Post- Surgery or Hospitalization: If your child is hospitalized or has surgery, he/she must return with a note from the Physician allowing him/her to return to school. Any restrictions must be noted on the return to school form.

If you have any questions or concerns, you may call Jennifer Wilkinson, RN School Nurse Coordinator at (225)686-4368 or contact the school nurse at your child's school.

In order for proper care to be provided at school, it is the parent's responsibility to notify the school nurse with any medical conditions or needs your child may have; including any changes to their medical conditions during the school year.

STUDENT DRESS CODE

The policy of the Livingston Parish School Board shall be that no mode of attire shall be considered proper for school wear that disrupts the classroom and/or the school's positive learning environment. In questions regarding student dress and grooming, the principal or his/her designee of each school shall make the final decision based on this policy as to what is considered proper or improper dress according to the guidelines provided.

The Livingston Parish School Board is responsible for achieving a systemwide dress code for appearance and dress among students that will promote the best atmosphere for teaching and learning.

NOTIFICATION

The School Board shall notify the parent or guardian of each student of the dress code specifications and their effective date. The dress code shall be distributed in written form or posted on the school's website annually.

If the School Board modifies the existing uniform policy, it shall notify, in writing the parent or guardian of each student of the policy adoption or uniform policy modification at least sixty (60) days prior to the effective date of the new or revised policy. Each school shall display any uniform selected for a reasonable period prior to the proposed effective date for wearing of the uniform.

However, nothing shall prohibit the School Board from requiring a new or revised dress code or uniform policy without the required notice in the event of an emergency. For the purposes of this policy, *emergency* shall mean an actual or imminent threat to health or safety which may result in loss of life, injury, or property damage.

DRESS AND PERSONAL GROOMING

It is the responsibility of each student to use good judgment regarding appearance and attire. Cleanliness shall be a basic consideration. Any complaint concerning a student's dress and appearance shall be addressed by the particular school's administration. The principal of the particular school shall make the final decision as to what is considered proper attire and appearance. In the event that health and medical considerations for a particular student require an exception to the Dress Code, the principal of the particular school shall determine that exception and make his/her faculty and staff aware of the exception.

The following guidelines have been established regarding all students' dress and appearance:

1. Styles of dress and grooming never should be such that they represent a collective or individual protest.
2. Appropriate footwear must be worn to school (no shower shoes, flip-flops).

Sculptured hair styles that include pictures, symbols, letters, numbers, or hair curlers, rollers or excessively teased will not be permitted. Principals have discretion if a hairstyle including accessories interferes with learning.

EMERGENCY PLANNING A Guide for Parents

<p>What type of drills/training will students participate in? This year, as in the past, each school will perform monthly drills that include: fire, restricted flow, lockdown, severe weather and bus evacuation.</p> <p><i>Fire/Building Evacuation</i> A fire, gas leak or other chemical/biological hazard inside the building that requires building evacuation.</p> <p><i>Restricted Flow</i> This is used for various situations to prevent direct threats/exposures from occurring on our campuses. Examples of use are medical emergency (keeping students out of halls and away from situation), dogs on the playground, suspect search near campus, suspicious noise heard near campus, etc. This procedure allows students to continue learning, but prohibits outside activity and reduces and sometimes prohibits visitors on campus.</p> <p><i>Lockdown</i> Used when there is a probable threat to the campus.</p>	<p>When Lockdown is initiated; teachers and staff will gather students to the closest lockable area and lock all outer doors to that room, turn the lights out and students are instructed to stay quiet. The teacher/staff member stays with the students the entire time. There is no movement by students outside the lockable area until the lockdown has been lifted.</p> <p>Parents and Visitors are not allowed to enter a school while it is in lockdown.</p> <p>Who reviews LPPS Emergency Plans? Each school plan is reviewed by the school crisis team, the central office crisis leader, law enforcement, fire and other emergency responders.</p> <p>If there is an evacuation, where will students go? Each school has identified numerous possible alternate locations. Law enforcement, fire and other parish authorities have been advised of these locations, but for security reasons it would be counter-productive to advise of these locations until the actual emergency occurs. In the event that students must be moved to an alternate location, the school board will use the School Messenger System and the LPPS Facebook account to notify parents.</p>	<p>Should I pick up my child at school during an Emergency? We strongly encourage parents NOT to come to the school during an emergency unless directed to do so.</p> <p>While every parent's natural instinct in an emergency is to go to the school to safeguard his/her child, please understand that doing so may significantly alter the school's ability to respond to the situation.</p> <p>In addition, going to the school may interfere with police or other emergency workers whose sole purpose is to assure the safety and well being of students and staff. Vehicles driving to the school, for example, will restrict access of emergency vehicles or school buses that are loading children for evacuation or to take them home. While it may seem logical that every student taken home by a parent reduces the workload of the staff, in a fast-moving situation that requires careful coordination and communication, extra vehicles and visitors to the school actually make the task of keeping track of all students more difficult.</p>

LPPS continues to strive to strengthen our emergency management plans on all of our campuses.

Where can I get **ACCURATE** information during an emergency?

The school board will utilize the School Messenger System and the LPPS Facebook page to notify parents of where to go to get information on your student and to be reunited with your student. We will also utilize the media to get information out to our parents.

LPPS works in conjunction with LPSO, Livingston Office of Homeland Security and Municipalities during emergency situations. A good source of information from the school board can be found on the Livingston Parish Sheriff's Office Facebook page, the Livingston Parish School Board Facebook page. LPPS supplies LPSO with updated information for them to post. **Do not go off of comments posted on Facebook pages.**

Only the information posted directly by LPSO and LPPS is confirmed information.

Ways to report threats of violence made to student(s) and or school(s)

First, we hope that you feel comfortable enough to report any concerns/threats directly to your school's principal or administrative staff. If this is not a feasible option, we now offer reporting via on-line or phone.

The link to on-line reporting is available on the LPPS website, but is also listed below:

<https://Lpsb-la.safeschoolsalert.com>

Or
833-697-1589

When reporting via on-line or phone, the more information you can provide will help us effectively investigate this situation.

Bus Accidents

When a bus accident occurs, LPPS' first actions are to account and care for each student on board. When students are on the bus during an accident, it is a parish emergency response procedure that fire and ambulance services are sent to the scene. Students will be checked out and parents will be notified, but this notification may take time. If your student reports an injury, you will be contacted immediately from the scene. It is not necessary to come to the accident scene as we will have a bus transport them from the scene to their destination.

What can I do to plan ahead?

The two most important things you as a parent can do are to make certain your child's school and bus driver has up-to-date emergency contact and check out card information.

Also, review with your child those that are allowed to check them out when you are unavailable.

Being prepared for emergencies is not only a requirement of the State, but is also taken very seriously by the staff and administration of Livingston Parish Public Schools.

The purpose of this guide is to assist in answering some questions that parents frequently ask about crisis situations.

When disaster strikes, the first consideration for every LPPS staff member is the safety of the children in our care.

Questions about the information contained in this guide should be directed to your school's principal.
